

Remarks

Applicants submit this Supplement Amendment in response to the Notice of Non-Compliant Amendment dated June 2, 2004. The Notice of Non-Compliant Amendment indicated that the earlier filed Amendment, dated May 14, 2004, was non-compliant because the Abstract was not presented on a separate sheet in accordance with 37 CFR 1.72. In response, Applicants hereby submit this Supplemental Amendment, with a corrected "Amendments to the Specification" section. All other parts of the Amendment dated May 14, 2004 are proper and remain effective. Only the "Amendments to the Specification" section is replaced in this Supplemental Amendment.

Applicants believe that this Supplemental Amendment is fully responsive to the Notice of Non-Compliant Amendment and that this application is now in condition for allowance.

Respectfully submitted,
